

Snodland Town Christmas shop window competition December 2021

Our first ever Christmas Shop Window Display competition was held this year, to try and bring a little bit of Christmas spirit into the Town.

We are pleased to announce that this years winners of the 'Snodland Christmas Shop Window Display competition have been chosen by Chairman of the Council Cllr Sue Bell and Chief Executive Karen Sowten.

We would like to thank everyone who took part and congratulate them all on the brilliant effort they all put in. It made the decision on a winner very difficult.
